Charters & Groups

Variety Cruises offers individuals, companies and nonprofit organizations the opportunity to travel as a group on our scheduled cruises, or charter the entire ship for family reunions, special interest cruises, incentive trips, seminars or wedding celebrations.

SMALL GROUPS VOYAGES

Our ships are perfect for affinity groups and family reunion groups of 15 to 24 passengers not large enough to charter a ship on private basis, organized by travel specialists or directly by nonprofit organizations and membership clubs. These groups can join other fellow passengers on a scheduled cruise departure but can still organize their own private onboard or excursions program. Group organizers take cabin blocks on any of our scheduled cruise sailings operated.

PRIVATE CHARTERS

A private charter voyage with a Variety Cruises small ship is an exhilarating experience either it is for a special anniversary, a birthday party, a family reunion, a special interest cruise for fellow travelers with the same love for arts, fine food and wines, architecture or history.

THEME CHARTERS

We pride ourselves for having organized a variety of Theme Private Charters for Special Interest Tour Operators or families; Gastronomy, Archaeology & History, Birding, Golf.

MEETINGS & INCENTIVES

Our boutique ships are ideal for Incentives having hosted a number of Corporate Events, Incentives and Seminars. They provide unique opportunity for team building, learning, discussing and sharing.

WEDDING & FAMILY

Imagine your Family Reunion, Wedding celebration or Anniversary, on board a boutique floating home, a private yachting environment that feels like your home away from home.

SUSTAINABILITY

AT HOME AT SEA are words we do not take lightly. We strive for a world where 'at home at sea' is not a luxury of our time, but a standard for generations to come as we join the United Nations' sustainable development goals and embrace our natural playground with love and care. Monitoring our impact on the environment with ships running on Marine diesel

Oil, reducing plastic waste via our in continuous development single-use plastic reduction plan, and adhering to stringent policies on garbage management; are some of the practical ways we do so, but that is just the beginning. Our guiding principle is not only to avoid leaving a footprint, but to positively impact the areas we visit; and we cordially invite our guests to join hands with us and the local communities as we get involved and bring positive impact. The natural playground graciously offered by the sea is yours to discover on board our floating homes.

CONTRIBUTING TO THE WELFARE OF THE PLACES WE VISIT is an intricate part of the Variety Cruises philosophy following the guidelines of the VARIETY CARES FOUNDATION. It is our philosophy to embrace local communities we visit with the dual mission of providing our guests and authentic local experience as well as to support the communities sharing with us their landscapes, natural resources, culture, heritage, and infrastructure. We source local services and products that allow for in-depth cultural collaboration including fresh local cuisine influences. But we go a step further by truly getting involved with the local communities. We join hands with the locals discovering and understanding the local communities either by joining existing impactful charitable projects such as KIVOTOS TOU KOSMOU, ARCHIPELAGO and 4OCEAN or even starting from scratch helping bring the change that the communities share with us that is lacking. The most impactful example is the LAMIN KOTO SUPERSCHOOL operating as our fully pledged education program and school infrastructure in the Lamin Koto village of The Gambia. The School founded in 2012 provides 100 local children their first steps to a strong education and manages KUNTAUR FILM FESTIVAL a generator projected film education program showcasing children films to villages without access to electricity. Join hands with us as you take off your tourist gloves and join the community by getting involved and truly immersing yourself in the destination.
